MEMBERSHIP APPLICATION

The Society is dedicated to researching, documenting and commemorating the heritage and history of Leon Valley and surrounding areas.

Currently we are investigating and restoring the Huebner Onion Homestead, a two story structure along Bandera road that dates to the 1850s. We are also developing trails in the Leon Valley Huebner Onion Natural Area adjacent to the Homestead to provide access to Mr. Huebner’s grave and an outdoor educational experience. Monthly meetings are held at the Leon Valley Library. You will receive notice of our next meeting.

For more information, call Darby Riley at (210) 681-5889 or Carol Poss at (210) 684-8586.
